PHONE: (503) 366-0800
FAX: (503) 366-0908

Dear Head Start Community Partner,

As we move forward in planning for the upcoming school year, we recognize that child care and resources may continue to be unknown for your clients and employees.

Head Start is a resource for children and families – offering preschool at no cost to qualifying families of children ages 3 – 4 years of age. Services provided also include supporting the family in connecting with needed resources in the community.

We have included a flyer to support Head Start recruitment for preschool services for the 2020-2021 school year. We ask that you share or post this in your facilities where possible. Should you have any questions or need additional flyers, please feel free to contact us. We hope that we can work together during this difficult time to help support our community.

With gratitude,

Angelina Salisbury
